

RightLine[®] C-SUITE[™] CSA

EXECUTIVE LEVEL BIOLOGY

F003264

Purpose: Turf Soil Amendment containing a Consortia of naturally occurring beneficial substances including: *Beauveria Bassiana* and various strains of *Trichoderma* species to improve soil structure and enhance turf recovery from biotic and abiotic stress.

Contains Beneficial Substances

<i>Beauveria Bassiana</i>	2.36x10 ⁸ cfu/g
<i>Trichoderma Harzianum</i>	1.03x10 ⁸ cfu/g
<i>Trichoderma Viride</i>	1.03 x 10 ⁸ cfu/g

Soil Amendment for turfgrass:

Apply 4.4 oz per acre every 30 to 60 days in 20-80 gallons of water per acre to improve soil structure, stimulate turf stress recovery and turf health. Higher spray volume will help move the product into the soil. Apply alone if possible. If tank mixing with fertilizers, use only neutral-based or buffered fertilizer products. Do Not tank mix with Fungicides. See back label for additional product information.

**KEEP OUT OF
REACH OF CHILDREN**

NET CONTENTS: 4.4 oz (124.7 g)

See Sticker for Expiration Date

Turf Tolerance: C-SUITE has not been tested on all turfgrass species or in all potential tank mixes. It is suggested to test the product and any combination of products on a small test area of the desired targeted turfgrass before applying to large acres.

Contents remain stable for two years after the stamped production date on the outside of the package or until the packages are opened. Use immediately after opening. Do not apply with fungicides. Do not tank mix with high or low pH products. Buffer water sources with high or low pH or high bicarbonate levels.

C-SUITE CSA contains a stabilized food source for the soil amending organisms. Additional food sources may be added but are not required. Such food sources could include high quality carbon sources such as Humic (Fulvic) or Amino Acids.

Use the following Personal Protective Equipment when mixing, handling and applying the product: Gloves, face mask, long sleeve shirt, pants or apron and eye protection. Do not inhale or ingest. Avoid contact with eyes and skin. Wash thoroughly after handling. If swallowed, drink water and see a physician. Safety Data Sheet (SDS) found at www.rightlineusa.com

Storage:

Store in a cool, clean and dry space.

Do not let product freeze. Do not store product in high temperature areas.
